Dear Brothers & Sisters at Intown,

We are so grateful to the Lord for you and your participation in God's work here in Bordeaux. What a blessing to be a part of the family of God, united in one purpose . . . to make Jesus Christ known, so that many will come to follow, worship & obey Him.

We appreciate so much your financial support and the sincere interest we've sensed on your part. Thank you so much for praying! How we need God's anointing on all we do! We praise Him for a wonderful Easter celebration. Two non-Christians told us how touched they were by the preaching & worship (it is rare for people to say that, at least in France). So pray for them to come to Jesus.

Pray for us to find a building to worship in. We must leave our present rented hall by July. Pray for God's deep work in the Church- that His children will be "steadfast, abounding in the work of the Lord. May the Lord Jesus encourage you as you live out the Gospel in Portland.

In Christ,

Carol & Samuel
