

Samuel & Carol Foucachon
Global Outreach Mission
France

E-mail: samfouc@wanadoo.fr

Children: Rachelle, Joseph, Christina

The Foucachons are planting a church in Bordeaux. One hundred fifty years ago, this area was an epicenter of the Reformed faith, but little remains today. There are many seekers or Christians who do not attend church at all. People coming to the new Evangelical Reformed Church of Bordeaux affirm that they find something that makes a difference. Emphasis is put on worship and the preaching of God's Word. Biblical training, cell groups and counseling are main avenues of ministry.

Pray for Samuel and Carol, as they seek to spread the Gospel and make disciples. Pray for God's Spirit to touch hearts through His Word. Pray for revival in all of France.

Prayer requests: Pray for safety as they travel around the US in February and March. Pray they will be able to share a clear vision for their work in Bordeaux. Pray God will provide financially for their ministry needs.
